Mains

Prices assume seasonal flowers of our choice. Specialities such as peonies, hydrangeas & David Austin roses are priced separately

We grow many of the flowers we use in wedding work ourselves, to ensure that "just picked" look.

There are many other flowers grown in the UK which we can source from our fellow growers.

Traditional and modern designs can be incorporated in our work with international flower deliveries from all over the world.

Containers are available to hire for a charge, or bring us your own containers.
